When to Visit
Prospective students and their families are welcome any time, although we recommend that you visit when classes are in session to see what campus life is really like! Schedule a visit online at pfeiffer.edu/visitpfeiffer to make an appointment. Office hours are 8 a.m. - 5 p.m., with tours starting at 9, 11 and 2.

Plan to spend at least one hour on campus. Most prospective students and their families will meet with an admissions counselor and take a guided tour of the campus with a Pfeiffer student ambassador. We can arrange meetings with professors, coaches and administrators in the areas of your interest at your request. You may also have lunch or dinner at the dining hall or sit in on a class of your choice.

Falcon Preview Days offer another opportunity to experience Pfeiffer. These dates include a reception with faculty, question and answer panels for prospective students and parents, and group tours of campus. Falcon Preview Days are scheduled on Saturdays in October, November, February and April.
