

Beyond Boundaries

**REFLECTIVE ESSAY
for Admission to the
Master of Science in Education (MSE) Program**

What are your reasons for pursuing the Master of Science in Education degree? What prompted you to make the Teacher Education Program at Pfeiffer University your learning lab for this endeavor? What do you bring, personally and professionally, to this experience that will be a benefit to other members of the learning community?

Your 350-500 word essay should be double spaced using a 12-point font. Essays should address all three questions posed. All materials should be proofread prior to submission.

Once you have constructed your essay, please submit it with your application materials to the Graduate Admissions Office.
