Undergraduate Degree Completion Program
Bachelor of Science in Health Administration

Expected to be among the coming decade's fastest-growing industries, healthcare is creating demand for highly qualified administrators, particularly those with a deep understanding of the business and economic policies that affect the healthcare environment.

Pfeiffer University’s undergraduate health administration program prepares students for a wide range of careers in today’s dynamic healthcare organizations. In addition, graduates of the program satisfy the requirements for application to its master of science in health administration (MHA) program and several joint degree options (MHA/MBA and MHA/Master of Science in Leadership).

PFEIFFER BENEFITS
- Small classes with students from diverse backgrounds
- Flexible classroom scheduling and online courses so you can set your own pace for achievement
- Highly qualified, full-time faculty
- 100 percent online option
- 8-week courses
- Electives that match your professional interests and allow you to specialize in specific areas of healthcare
- Affordable tuition and financial aid
- A generous transfer policy that allows credit for most courses completed at other accredited institutions
- Opportunity to apply credit from prior learning through life experience, personal study and/or military course work through computerized CLEP tests, challenge exams and ACE guidelines for credit

APPLICATION REQUIREMENTS
- Completed Pfeiffer University application for admission and application fee; applications available at www.pfeiffer.edu/charlotte
- Official transcripts from all colleges and universities you have attended.
- At least 45 hours of transferable credit and a minimum GPA of 2.0 (or contact the program director)

PRIOR LEARNING ASSESSMENTS
At Pfeiffer we recognize that as an adult, you have gained personal and professional development outside the traditional academic classroom. In addition to CLEP, DSST, ACE military credits and challenge exams, our portfolio process provides an opportunity to translate these experiences into college credit in various areas of learning. Up to thirty hours of credit may be awarded and applied to the elective hour requirements in the Degree Completion Program through prior learning assessment.

CURRICULUM
A bachelor’s degree in health administration requires at least 120 semester hours, including 57 semester hours in core courses and 9 in health administration electives. The remaining required hours will be taken in a combination of general education and elective hours. Pfeiffer University/Charlotte’s residency requirement is 45 semester hours; 50 percent of core courses must be completed at Pfeiffer.

CORE COURSES
- ACCT 221 Principles of Accounting I
- ACCT 223 Principles of Accounting II
- BMAL 311 Business Statistics
- BMAL 432 Financial Management

ABOUT PFEIFFER
Pfeiffer University is a comprehensive United Methodist-related university with multiple campuses and delivery systems designed to meet the needs of adult, graduate and traditional undergraduate students. Having offered graduate and degree completion programs for adults for more than 25 years, Pfeiffer has become an educational leader through innovative academic programs and commitment to the ideas of servant leadership. One of the first institutions in Charlotte to offer graduate and adult education programs, Pfeiffer boasts thousands of highly talented graduates and continues to expand its programs to meet the demands of today’s global economy.
As an institution grounded in the principle of service before self, Pfeiffer’s priorities are serving the needs of our students and instilling in them the nature to serve and knowledge to lead and to go Beyond Boundaries.
