\* In order to complete the 500-hour direct client contact requirement within a one-year period, the student will conduct 15 hours of therapy weekly in addition to proper client case management. A total of 100 hours of structured supervision is also required by a designated AAMFT supervisor (20 hours of individual supervision and 70 hours of group supervision). Of the 100 required hours, 50 must be observable supervision. **NOTE: A minimum of (3) consecutive semesters of internship is required, but the completion of 500 hours (minimum of 40% or 200 relational) sometimes takes longer than the average 3-4 semesters of MMFT 690!!**
