### ACADEMIC REGALIA

The formal academic dress worn today originated more than 600 years ago. The apparel has changed little in appearance but has taken on a significant role in identifying the degree and alma mater of its wearer.

Gowns for those with bachelor's degrees have pointed sleeves; those with master's degrees wear oblong sleeves and holders of doctoral degrees wear bell-shaped sleeves. Doctoral gowns have velvet facing on the front and three velvet stripes on each side. Hoods indicate the colors of the institution from which the degree was received and the color of the hood's border represents the academic discipline in which the degree was earned. Some of the more common ones are listed below:

Arts & Letters, Humanities.....	White
Business/Accounting.....	Olive Brown
Economics.....	Copper
Education.....	Light Blue
Engineering.....	Orange
Fine Arts & Architecture.....	Brown
Health Administration.....	Salmon
Communications/Journalism.....	Crimson
Law.....	Purple
Medicine.....	Green
Music.....	Pink
Nursing.....	Apricot
Physical Education.....	Sage Green
Public Health.....	Salmon Pink
Science.....	Golden Yellow
Theology.....	Scarlet

The standard academic cap is appropriately known as a mortarboard. Faculty members holding master's or doctoral degrees may opt for a velvet tam.
