Entertainment & Activities

Fill your days with activities or relax as you please. Enjoy original musicals, magic shows, feature films, top comedians, and nightclubs. Try your luck at the Vegas-style casino, join daily trivia contests, or show your skills at the Karaoke club. Participate in deck parties or unwind in the hot tubs and pools. You can also learn about the Great Art Masters or shop for fine jewelry, duty-free items, souvenirs, and local crafts.

Wellness

Balance all that food and activity with a day of pampering at the spa or a visit to the fitness center, which features state-of-the-art equipment and fitness classes (some classes may incur an upcharge).

Dress Code & Packing

The vibe is casual during the day and country club casual at night. There are two formal nights on a seven-night cruise, but tuxes and gowns are not required. Most guests dress nicely for these special nights. There are no suitcase restrictions or luggage charges, but cabins are small with limited closet space. It's recommended to pack one suitcase per person and dress in layers appropriate for the destination. Nights can be breezy on a cruise ship.
